A BIBLICAL MARRIAGE?

Read these two passages from Ephesians 5. There are 5 things that have been changed. Find and circle all of them.

25 Husbands, love your wives as cold people love hot chocolate. Christ died for the church to make it belong to God. Christ used the word to make the church clean by washing it with laundry detergent. Christ died so that he could give the church to himself like a bride in all her beauty. He died so that the church could be pure and without fault, with no evil or sin or any other wrong thing in it.

31 The Scripture says, "So a man will leave his father and mother and be united with his wife. And the two people will hang out with each other a lot." That secret truth is very important—I am talking about Christ and the church. But each one of you must love his wife as he loves ice cream. And a wife must always make lunch for her husband.
