LESSON: Jesus Taught About Possessions

INTRO

Parents say to your kid(s) - We've seen over and over again how God takes care of us. Today we will see how God takes care of our physical needs!

Talk About Needs - Pack a bag with a few items to represent needs: water, food, clothes, shelter, money, Bible, and so forth. Form a circle on the floor. Take items out of the bag one at a time. Ask children to tell why each item is a need. Pass the items around the circle, then set them in front of you. Show the Bible last and remind them that all people need Jesus and the Bible teaches us about Jesus.

Parents say - In our story today, Jesus will teach us not to worry about the things we need. He will provide everything we need!

LESSON - JESUS TAUGHT ABOUT POSSESSIONS

Story Point! (Kids repeat!)

Jesus taught us not to worry! (Kids repeat!)

He explained that God knows what we need and He loves us. We can give cheerfully and trust God to give us everything we need. We don't need to worry about what we will eat and drink because He will take care of us. Do you remember what He told the people about the birds? God takes care of those birdies and makes sure they have food to eat, right? How much more must He take care of us if He can take care of the small little birds!

Christ Connection! (Kids Repeat!)

Jesus taught us that our treasure is in heaven! Kids Repeat!

We may think that we need a lot of money so we won't have to worry about all of our needs here on earth. Jesus taught us that putting our treasure in God's kingdom was more important than having a lot of money! In our story today Jesus explained A thief can take away treasure on earth, but treasure stored in heaven lasts forever.
